EXPONENTS

Improving health. Igniting hope.

FACT SHEET

PROGRAMS

Treatment & Recovery

Exponents provides Client-Centered Drug Treatment and prison re-entry services. Our inclusive environment welcomes people of every race, gender identity, age, and sexual orientation. The diversity of our participants also includes people at varying stages of recovery.

- ARRIVE Alcohol & Other Drug Counseling Program
- ARRIVE Post Graduate Program (APGP)
- Clothing Closet
- Outpatient Chemical Dependence Treatment
- Project In-FORM
- Peer Recovery Support
- Recovery Coaching
- Feeding our Family
- HIV & Hepatitis C Testing

Education

We encourage self-care and wellness management. We have a unique learning and value based culture that uses role models who represent hope through overcoming their addictions and successfully coping with their chronic conditions.

- GED Prep Classes
- Pre-Vocational Services (coming soon)
- Vocational Training (job club)
- Cyber Lounge (Computer Lab)

Training

Exponents Center for Personal and Professional Development is dedicated to providing holistic state of the art trainings for individuals interested in a career in the addiction treatment field, as well as for professionals who would like to continue their education by enhancing their knowledge and skills.

- CASAC Training
- Recovery Coach Academy
- Recovery Coach Training of Trainers
- IC&RC CASAC Test Preparation Class
- Peer Supervision Training
- Mental Health First Aid
- Trauma Informed Care
- Peer Ethical Standards
